

Thank you to the Skagit Community Foundation for awarding Friends of Fidalgo Pool & Fitness Center a grant! This grant allows us to purchase adaptive equipment to support special needs swimmers and will help provide training in adaptive instruction techniques for additional instructors.

Thank you to Step Into Swim for awarding Fidalgo Pool and Fitness Center a grant! This grant will help us provide adaptive swim lessons for special needs children in financial need. To find out more and to apply for an adaptive swim scholarship, contact Jenny Claridge, Aquatics Director.

Thank you to Washington State Parks for 162 life jackets as part of the April Pools Day Initiative! We were able to provide all third-grade students taking school swim lessons with a new jacket.

Association of
Aquatic Professionals

Thank you to the AOAP for a life jacket grant! This grant allowed us to purchase an additional 25 life jackets to help us meet the goal of a new life jacket for every third grader in the district.

Many thanks for a patron donation that will allow us to purchase equipment for use in yoga and fitness classes! Your gifts help us make our classes even better and allow us to reach even more people.
